## Anniversary

Banyan Golf Club Hua Hin was very proud to celebrate its **10th year anniversary in February 2019**.

The past decade has seen the club go from strength to strength. From **“Best new Course in Asia Pacific in 2009”** to establishing itself as one of the regions great golf experiences, Banyan Golf Club Hua Hin has strived to deliver a great golf course, in great condition coupled with fantastic service from all team members.

The natural layout of the course provides golfers with a challenge on every hole. The view towards the Gulf of Thailand from the signature 15th hole is unique and very special. The Clubhouse is a very special venue for pre or post golf refreshments and special occasions.

No visit to Hua Hin is complete without a visit to Mulligan’s Pub in the evening to watch the stunning sunsets over the Burmese mountains to the west.
